Parent/Guardian: Belinda Stockton Memorial FEFC is asking that you list TWO needs and TWO wants. You may also list a few alternative items in case the top two items are not available. Please try to keep within the \$40 price range or less per item. This is an expensive time of year for everyone, including the Secret Santa's who are shopping for your little ones. No shoes please, as they are just too hard to buy the correct size. If you are able, please double check on stores' websites and flyers to make sure the item is going to be available and price is reasonable. *For example, on Amazon, the new Spiderman action figure was available, but when I clicked on it to put into my cart, it stated that it would not be shipped until the end of January.*

Please take a few minutes to measure and weigh your child and write in the most accurate size. We are aware that not all brands are the same, so that is why we are requesting weight, size, and measurements. We have included generic size charts for reference. The same chart will be printed on the back of the "Stars" for shoppers to use, as well. Please add the child's specific types of clothing he or she needs/wants. Example: long sleeve, jeans, sweat pants, fuzzy material, etc. This is a huge help for those generous "Secret Santa's" who are doing their best to get everything perfect for the children when shopping.

A member of the committee will call/email you when gifts are ready to be picked up. If for some reason you have not heard from us by **December 11, 2024**, please call **208-476-5777** or email wishingtree@kh.org. This is a busy time, and we hate to miss anyone for any reason.

We want to make this the best Christmas ever so please fill out this form to the best of your ability. Thank you, and Merry Christmas! CVH Belinda Stockton Memorial Wishing Tree Foundation Committee

Parent/Guardians,

We put this generic size chart below on the back side of “Stars” to help the shoppers (Secret Santa’s) have the best chance of getting the correct sizes for your little loved ones. It is very important to measure children, and we just ask you do the best you can.

Please add the child’s specific types of clothing he or she needs/wants. Example: long sleeve, jeans, sweat pants, fuzzy material, crew/ankle/knee socks, etc.

No shoes please, because they are just too hard to purchase the correct size. We apologize.

We ask that you please try to keep items requested within the \$40 or less range. This is an expensive time of year for everyone, including the Secret Santa’s who are shopping for your little ones.

Thank you!
